

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Joining SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

Manager Product Management (f/m/d)

You can work remotely or at our location(s) in Heidelberg, Hamburg, Berlin, Thale, Magdeburg or Munich

Your Mission: Join our team!

- Take end-to-end responsibility for the strategic, operational and commercial success of a major software pillar of SNP's Kyano portfolio
- Take strategic initiative in shaping the vision and strategy for the next stage of evolution of this Kyano pillar
- Responsibility for commercially growing the assigned software product over the entire product life cycle
- Analyzing and prioritizing the strategic market requirements of current and future products within the pillar, including identifying opportunities for growth based on company strategy

What we are looking for: Your profile

- Extensive experience in growing a platform / suite of products in the software field, ideally with a SaaS and or an SAP background
- Proven track record of managing a product portfolio
- Strong leadership skills. As the driving force behind a platform's development you are able to inspire and motivate team members, fostering a culture of innovation and continuous improvement
- Effective collaboration with crossfunctional teams – you are a skilled communicator who can clearly articulate the platform vision and strategy to various stakeholders

- Orchestrate how our platform products solve market needs comprehensively and achieve key goals for SNP
- Lead a team of product management experts and work closely with Management and colleagues across the organization
- Steer and advise executives by developing business plans, presenting strategic decision proposals and translating business needs into a compelling strategy
- Monitor product success by tracking performance against key metrics
- Act as a coach/ mentor for the team
- Ability to analyze, adapt and develop existing structures
- Excellent English skills (written and spoken), German language skills are a plus
- Willingness to travel as required

Be More @SNP: Discover your full potential

New prospects: At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

Strong alone, unbeatable together: Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

Personal growth: As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

Flexible work: We define your preferred working hours and place of work together with you.

More than just a salary: We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
