

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Starting at SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

SAP FI/CO (Senior) Consultant (f/m/d) - Landscape Transformation

You can work at our location in Paris

Your Mission: Join our team!

- Technical support for SAP transformation projects from kick-off to project completion, including quality assurance
- Technical consulting and guidance for customers and liaison with our data migration experts
- Technical analysis and design with regard to the implementation and harmonization of business processes within the scope of data migration solutions
- Creation of data migration design documents
- Review and validation of data migration results

What we are looking for: Your profile

- Extensive experience in SAP data migration and S/4HANA transformation projects
- In-depth knowledge of at least one SAP FI/CO module
- Relevant knowledge of working with SAP tables, databases, and data elements
- Several years of experience in using data migration tools (LSMW, LTMC, SAP Data Migration Cockpit, etc.), including data preparation, mapping, and validation of migration objects

- Conducting workshops and taking responsibility for expanding our customer relationships
- Configuring and applying the standard software SNP CrystalBridge® for the transformation of SAP systems (migrations to S/4HANA, post-merger integration, system mergers, carve-outs, organizational changes, chart of accounts and cost accounting harmonization, SAP New G/L migrations)
- Analytical skills and creativity in finding solutions to business and technical challenges
- Independent working style, high level of self-motivation, and organizational skills
- Interest in working in an international project environment
- Interest in and enjoyment of innovation and new technologies
- Willingness to travel depending on customer projects
- Good written and spoken English and French skills, Spanish is a plus

Be More @SNP: Discover your full potential

New prospects: At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

Strong alone, unbeatable together: Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

Personal growth: As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

Flexible work: We define your preferred working hours and place of work together with you.

More than just a salary: We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
