

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Starting at SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

(Senior) UX /UI Design Specialist (f/m/d)

You can work remotely or at our location(s) in Heidelberg, Hamburg, Berlin, Thale, Magdeburg or Munich

Your Mission: Join our team!

- Join our UX/UI team to develop, implement and improve design principles for our software products and support internal functions.
- Design concepts, user flows, wireframes, and clickable prototypes — from initial idea to implementation.
- Function as internal cross functional UX/UI ambassador in close collaboration with both our Product and Marketing teams to shape our brand.
- Conduct user research, interviews, and usability tests with internal and external stakeholders to validate design decisions and turn them into work packages.

What we are looking for: Your profile

- Professional experience as UX specialist (f/m/d) the SaaS platform and on-premises software solutions
- Experience with design software like Figma is preferred
- Passion for user experience and design thinking for Enterprise software
- Willingness to help shape the future design language of SNP and the SNP software portfolio
- Open-minded and creative way of thinking in combination with strong analytical and conceptual skills
- Strong presentation, communication, organizational and time management skills

- Contact person for UX/UI inquiries, you have the bigger picture in mind and advise our teams on usability and user experience for their specific requirements.
- Support the conception and development of Design Guides to ensure consistency, scalability and knowledge transfer.
- Present your design solutions in front of stakeholders.
- Team player with a focus on the customer
- Very good language skills in written and spoken English, German skills are a plus

Be More @SNP: Discover your full potential

New prospects: At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

Strong alone, unbeatable together: Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

Personal growth: As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

Flexible work: We define your preferred working hours and place of work together with you.

More than just a salary: We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
