

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Starting at SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

## Product Manager for Kyano AI solutions (f/m/d)

You can work remotely or at our location(s) in Bratislava, Heidelberg, Hamburg, Berlin, Thale, Magdeburg or Munich

### Your Mission: Join our team!

- Lead the innovation and development roadmap for SNP's AI platform and infusion into our Kyano based solutions
- Drive the development and implementation of go-to-market strategies for SNP's AI-related capabilities
- Function as internal and external product ambassador (m/f/d), work with Development, Product and sales organization
- Contact person for product-specific inquiries
- Close cooperation with Product Marketing, Sales, Software Sales and Consulting

### What we are looking for: Your profile

- Professional experience as Product Manager (f/m/d) in the SaaS platform and AI space
- Strong experience in guiding and interacting with product development teams
- Understanding of business software, ideally in the SAP space
- Experience with design thinking and agile methods as well as experience with Angentic AI solutions are an advantage
- Motivation to help shape the AI strategy and adoption across the SNP software portfolio
- Passion for user-centric, as well as cloud native and mission critical applications

- Gathering, summarizing and prioritizing requirements and transferring them to the product backlog
- Close cooperation with the strategic Solution Owner in the definition of a product, taking into account the fit with the company portfolio
- Participation in presales activities
- Strong analytical and conceptual skills
- Strong presentation, communication and organizational skills
- Open-minded and creative personality
- Team player with a focus on the customer
- Fluent in written and spoken English, German skills are a plus

## Be More @SNP: Discover your full potential

**New prospects:** At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

**Strong alone, unbeatable together:** Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

**Personal growth:** As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

**Flexible work:** We define your preferred working hours and place of work together with you.

**More than just a salary:** We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
