

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Starting at SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

Working Student Software Development (f/m/d)

You can work at our location in Heidelberg

Your Mission: Join our team!

- Become a valued member of our R&D team and contribute to the development of innovative software solutions
- Learn and work with modern technologies such as Java, Scala, TypeScript, React, and cloud-based platforms
- Support the continuous evolution of our software products Kyano Crossway and Kyano GlueCloud
- Take ownership of development tasks while receiving guidance and mentorship from experienced team members
- Explore complex software systems and gradually take on greater responsibility as your skills grow

What we are looking for: Your profile

- Currently studying Computer Science, Business Informatics, Software Engineering, or a comparable degree program
- A passion for software development and strong motivation to learn new technologies
- Initial programming experience gained through university coursework, personal projects, internships, vocational training, or self-study
- Curiosity and interest for topics such as Java, Scala, TypeScript, React, cloud technologies, and software architecture
- A proactive mindset, willingness to learn, and confidence in tackling new challenges

- Ability to work independently while also enjoying collaboration within a team
- Very good English communication skills; German is a plus

Be More @SNP: Discover your full potential

New prospects: At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

Strong alone, unbeatable together: Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

Personal growth: As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

Flexible work: We define your preferred working hours and place of work together with you.

More than just a salary: We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
