

Are you looking for more creative freedom, more personal fulfillment and even more team spirit? **Then SNP is the right place for you!**

The **SNP Group** isn't just another SAP software and consulting firm. Our unrivaled platform streamlines transformation processes in ways that others can only dream of. As pioneers in data transformation, we revolutionize the way companies future-proof their system landscapes with our software platform SNP Kyano and the BLUEFIELD™ approach.

No matter your role, **Starting at SNP** offers you the opportunity to work with the best minds in the industry and develop unparalleled solutions trusted by some of the world's largest companies. Leveraging our expertise to empower our customers to achieve their goals is what drives us as a team at SNP.

Help us shape the digital future of organizations across the world by applying now as a

Inhouse SAP Datasphere Engineer (f/m/d)

You can work at our location(s) in Heidelberg, Bratislava or remotely

Your Mission: Join our team!

- Design, develop, and maintain data models in SAP Datasphere (including views, entities, and semantic modeling) as well as create and enhance CDS views for analytics and planning
- Integrate and harmonize data from SAP S/4HANA and other source systems (e.g. Salesforce), ensure stable data flows between SAP S/4HANA, Datasphere, and SAP Analytics Cloud, and optimize performance, scalability, and reusability
- Structure and provide data for SAP Analytics Cloud, closely collaborate with business stakeholders on SAP S/4HANA data structures, and contribute to data architecture and modelling standards (e.g. Bronze/Silver/Gold)

What we are looking for: Your profile

- Strong experience with SAP Datasphere and data modelling
- Good understanding of CDS views and S/4HANA data structures
- Solid SQL skills (ABAP knowledge is a plus) Understanding of data architecture and cloud environments
- Basic SAC knowledge (deeper is a plus), BDC knowledge is a plus
- Experience with SAC Planning, ideally in combination with SAP Datasphere, is a plus.
- Structured, analytical and independent working style

- Analyze and resolve data quality and performance issues, ensuring data quality, lineage, and transparency
- Very good English; German is a plus

Be More @SNP: Discover your full potential

New prospects: At SNP, you will work in an international, diverse environment where you feel truly valued. You will not only shape our growth and success, but also that of our customers.

Strong alone, unbeatable together: Together, we will rise to every challenge, no matter how demanding. Together, we are unstoppable.

Personal growth: As a dedicated team member, you can quickly take on more responsibility. We will support you with tailored development measures.

Flexible work: We define your preferred working hours and place of work together with you.

More than just a salary: We offer a range of additional benefits: Supplementary company health insurance, company pension scheme, capital-forming payments, sabbatical, job bike, Deutschlandticket and other mobility solutions, childcare subsidy for non-school-age children, gym subsidy, employee shopping discounts and much more.
