Help us shape the digital future of organizations across the world by applying now as a

(Senior) Manager International Tax (f/m/d)

You can work remotely or at our location(s) in Heidelberg, Hamburg, Berlin, Thale, Magdeburg or Munich

Your Mission: Join our team!

International Tax

- Coordinate and manage cross-border tax matters arising from the Group's international operations
- Monitor & assess international tax developments and their implications for the Group and derive appropriate actions
- Proactively identify, assess and drive tax optimization opportunities across the Group
- Coordinate country-specific tax questions with local advisors and internal stakeholders
- Drive and support international tax planning, restructuring and strategic tax projects, including post-merger integration

What we are looking for: Your Profile

- University degree in Tax, Finance, Accounting, Business Administration, Economics, Law or a comparable field; a qualification as a certified tax advisor is considered as an advantage
- Several years of relevant experience in corporate and international taxation, gained in an international corporate environment and/or tax advisory firm and/or with tax authorities
- Solid understanding of corporate income tax, indirect tax and transfer pricing, with experience in cross-border tax matters and international tax projects
- Experience in coordinating tax matters across multiple jurisdictions and managing internal and external stakeholders; experience with global

- Contribute to the continuous development of the Group's tax governance and proactively identify and manage tax risks

Global Tax Coordination & Provider Management

- Coordinate global tax activities across the Group and act as the central interface between Global Tax, local Finance teams and the global tax service provider
- Manage and continuously develop the Group's global tax service delivery model, ensuring effective collaboration and clear responsibilities across jurisdictions
- Ensure consistent application of agreed processes, documentation, data and quality standards
- Ensure transparency and effective reporting on global tax compliance activities, deliverables and open matters
- Drive continuous improvement, standardization and automation of global tax processes in collaboration with relevant internal stakeholders

tax compliance and provider management is an advantage

- Proactive, hands-on and solution-oriented mindset, with strong analytical skills and the ability to independently identify and drive tax matters and improvement opportunities
- Strong communication, stakeholder management and organizational skills, with the ability to translate complex tax topics into practical solutions; fluent in German and English, other languages are considered as an advantage

Role Purpose

The Tax Manager International Tax supports the implementation and ongoing management of the Group's global tax operating model, with a strong focus on coordinating international tax activities, managing the global tax service provider and ensuring effective collaboration across the Group.
The role serves as a central coordination point between Global Tax, local Finance teams and external tax advisors, helping to ensure consistent, timely and high-quality delivery of tax services across jurisdictions. The role also contributes to international tax projects and selected strategic initiatives, including reorganizations and transaction-related matters where relevant.
